CONETOE HIGH SCHOOL ALUMNI ASSOCIATION 2020 SCHOLARSHIP APPLICATION

The Alumni Association of Conetoe High School has a scholarship fund to benefit high school/GED graduates who have been accepted in an institution of higher learning. The intent of this financial award is to provide a reward to those students who have done their best during high school. When chosen for a scholarship, the student will be notified and the check will be sent to the college of their choice in the school's name with the student identification noted. (If the student does not go to that school, please let Ethel Vines Ruffin-Collier or Ruby Johnson Howell know immediately.)

Eligibility: The scholarship is limited to participants and their immediate family who are financially supporting the Conetoe High School Alumni Association each year by participating in our activities. Immediate family is defined as husband, wife, sons and daughters, stepchildren and grandchildren. This is for a high school student beginning his/her first year of college (Freshman). **Note: brothers, sisters, nieces and nephews are not included.**
