Celebrating Fostina Lynch! The TOC Citizen of the Month! We Congratulate You!

## CITIZEN OF THE MONTH

**FOSTINA LYNCH**

Ms. Fostina Lynch has been a lifelong resident of the Conetoe area. She raised her family here and now has grandchildren and a great-grandchild in the area. She knows just about everybody, and everyone knows her.

Not one to shy away from work, Ms. Fostina has just recently retired from driving a school bus for county schools after forty-seven years of service. She was also a substitute teacher and made many connections with local children over the years.

Ms. Lynch is a lady on the go. She is a judge of the polls for the election and an avid member of Mayo's Chapel Missionary Baptist Church. She has been the secretary for them for over forty-nine years. Ms. Fostina is very athletic and participates in the senior games, where she has won many medals. She also works with the youth at the Conetoe Family Life Center and is a member of the Conetoe High School Alumni.

The Town is very appreciative of her support and attendance of all of our board meetings and we are honored to recognize her as the TOC Citizen of the Month.
